

# THE FUNKY JUNKIES

## **ALRIGHT!? Welcome to Promax 2013!**

**This year TFJ are hosting the Promax Conference PUK ... (that's like TONIGHT!) and with it 'The Funky Junkies' Mobile Disco' is rolling into town!**

To celebrate 'British Creativity', we're gonna party like it's 1999, spinning 100% top notch British Choonage\* from classics to mash ups, re-rubs to guilty pleasures!

You'll also have the chance to win 500 quids worth of the finest British pounds! Yeah, that's right ... five hundred smackers ... in your back pocket ... yours to keep or fritter away!

AND even the infamous TFJ Tombola is going to make an appearance! Feeling lucky? You'd better believe it! There are prizes galore!

Have a great Promax ... we'll see you in The Conservatory at lunchtime and for general Junkie shenanigans come 5.30pm too!

P.S. And check out Emme Packer's USB Stick for info on how to win a trip to the States!

P.P.S. If you're reading this at Friday's Promax ... oops ... sorry ... you snoozed, you loozed! The hungover people will tell you the score!

\* Oh OK then ... and a load of old skool hip hop!
